Upcoming EEC-EG Events

Equip Auto Exhibition in Paris

13 - 18 October 2009

▲ In continuation of our strategy to support our exporters in penetrating new markets and realizing the growing importance of our auto parts manufacturing sector, the Engineering Export Council with its executive team will be accompanying 10 Egyptian companies which will be displaying their products at Equip Auto Exhibition in Paris between 13-18 October 2009. The Engineering Export Council along with the Egyptian companies will be present at **HALL 6 - ALLÉE D - STAND 118**.

To check the full profiles of the 10 Companies please click [here](#).

Renault Automotive Mission to Egypt

▲ Over the coming few weeks, the Engineering Export Council will be hosting a delegation from Renault Automotive company. The Renault team have selected at least 6 factories to visit their facilities. The delegation will also be hosted over a dinner event on their last day of the visit.

Details will be circulated amongst members of the Council over the coming weeks.

Promoting conformity systems for Egyptian automotive standards

24-28 October 2009

▲ Thanks to the coordination with the British Society of Motor Manufacturers & Traders Ltd, SMMT which resulted in an inward mission in October 2008, followed by an outward mission in June 2009, the SMMT will accompany a group of British and European professionals in the field of automotive standardization. The purpose of the mission will be working with the Egyptian Organisation for Standardisation & Quality (EOS) on the following tasks:

1. Harmonizing Egyptian standards to the EU directives and UN regulation;
2. Qualifying the testing labs to comply with the standards needed;
3. Establishing and upgrading the certification system for type approval and periodical inspection system;
4. Assisting Egypt to join WP29 and sign the 1958 Agreement.

The delegation will include representatives from the VCA, which is the designated UK Approval Authority and Technical Service for type approval, the Vehicle and Operator Services Agency (VOSA), United Nations Economic Commission for Europe (UNECE), Society of Motor Manufacturers & Traders Ltd (SMMT) and MIRA (Motor Industry Research Association).

Egypt International Automotive Conference in Germany
